

PRESS RELEASE

GAZECHIM COMPOSITES UK, official distributor of Nouryon's (formerly AkzoNobel Specialty Chemicals) thermoset products.

United Kingdom, June, 13rd 2019 - After several years of collaboration between Gazechim Composites and Nouryon the two entities have decided to strengthen their partnership in Europe.

Gazechim Composites will distribute Nouryon's complete portfolio of organic peroxides and auxiliaries for the thermoset business in United Kingdom & Ireland but also in France & Italy.

Besides working together in technical and safety support for customers, Gazechim and Nouryon experts will also jointly develop new projects and commercial opportunities.

"Our partnership with Nouryon strengthens our European position in the thermoset market and opens up new opportunities," said Jean-Marc Libes, Business Manager.

Gazechim Composites
